### Mr Sing Mong Kee

Mr Sing Mong Kee is the immediate past president of the Intelligent Transport Society of Singapore (ITSS) and a member of the Board of Directors of Intelligent Transport Systems (ITS) Asia Pacific and ITS World Congress. As President of ITSS from 2004 to 2015, he tirelessly championed for Singapore to host the Intelligent Transport Systems World Congress (ITSWC) 2019, which is a best-in-class congress that is expected to attract 5,000 foreign delegates and generate S\$11 million in tourism receipts. Despite two earlier unsuccessful attempts, Mr Sing was undeterred and persevered to lobby for support for Singapore amongst other Intelligent Transport Society chapters within the Asia-Pacific region.
