

LIST OF TRAVEL AGENTS WHO ARE TRADE SPECIFIC AGENTS

The table below, **correct as of 01 October 2015**, represents a non-exhaustive list of travel agents who are trade specific agents (TSA) registered with the General Insurance Association of Singapore (GIA) in respect of travel insurance products. Consumers may wish to approach the TSAs of their choice to ensure their respective products insuring against insolvency meets their needs.

Where their preferred travel agent is also a TSA, consumers are encouraged to ask if the insurance product the travel agent offers (i) insures against insolvency of <<travel agent name>> for the travelling parties; and (ii) the travel product (including travelling date).

The Singapore Tourism Board does not endorse any particular travel agent or TSA. Travel agents that are TSA and sell travel insurance insuring against their own insolvency, but are not included on this list are invited to write to STB at stb_ta@stb.gov.sg. For more information on licensed travel agents, please refer to Travel Related Users' System at: <https://trust.yoursingapore.com>. For the latest status of any TSA, please refer to GIA's website at: http://www.gia.org.sg/public_agents_search.php.
